MONROE COUNTY
CHRISTIAN SCHOOL

Tournament Chairs

• ABOUT OUR SCHOOLS •

In partnership with Christian parents, both MCCS and VCA are dedicated to providing a loving, Christ-centered environment of educational excellence so that our children may develop their gifts, knowledge, skills and energies to become servant leaders for the kingdom of God. Both schools are non-denominational, independent discipleship schools for students of Christian families in St. Louis, Missouri, and Monroe County, Illinois. MCCS is a K-7 program and VCA has expanded to cover grades K-11.

• EVENT DETAILS •

Acorns Golf Links, in its rural country setting, features several different styles of golf. You will find both links style and traditional American style holes. The course features zoysia fairways that will give you an ideal surface for your approach shots onto the green. The course has something for everyone.

Acorns is located in Waterloo, Illinois featuring 6,701 yards of golf from the longest tees for a par of 72. The course rating is 72.7 and it has a slope rating of 135.

The format will be a 4-person scramble, which means each team works together and uses the best ball after each shot. You are welcome to form your own team or register individually. We encourage those already involved with MCCS or VCA to look outside their school families as you build your teams, to get even more involved and aware of our great schools!

Cost is **\$125/per person, \$500/per foursome**, and registration includes 2 mulligans per player, entry into the skins competition, and the opportunity to win \$5,000 in a hole-in-one contest!

- Registration form is attached. If paying by check, make payable to Victory Christian Academy and mail to:
